Goodbyes

Mrs Walters, our Y1—Y3 Engagement Officer, will be leaving us today to start a new career working for the Pupil Welfare Service. Also, during the summer break, we said a very sad goodbye to Annie, who had worked in our school kitchen for 19 years! We gave them a good send off today in true Revoe style. We thank them for their dedicated service and wish them every success for their future careers. **They will both be greatly missed.**

Fantastic! Attendance, 3MR.

Please ensure your child arrives in school on time. Gates open at 8.45am and close at 8.55am. Children arriving late can be upset and can cause disruption to others. Some children may also feel anxious when arriving late to their classroom.

We appreciate your cooperation in this matter.

Extra Curricular Clubs.

Our extra curricular clubs will start next week. Clubs will be held on **Tuesday, Wednesday and Thursday mornings** and after school on Tuesdays and Thursdays. Year Group Booster Learning clubs will be held on a Monday.

Letters for the extra curricular clubs have been sent home today. If your child would like to take part in a club, please ensure that you sign the permission form and return it on Monday morning. Please teach your child about committing to the club so that they do not 'drop' out after a week or two. Thank you!

Contact Information

Your child's data collection sheet will be sent home next week. Please can you ensure all your child's details are correct, including all names, contacts, telephone numbers, addresses and medical information. Please let the office know of any updates or errors.

Also, if your child has changed their lunchtime arrangements, please inform the office on Monday morning. Thank you.

Want your child to be an awesome reader?

At RLA, we have recently introduced the Read Write Inc programme to ensure all children are successful readers.

Please see our website or Facebook page and follow the links to resources and film clips that explain the programme and show you how to say the sounds.

There will be more information to follow that you can use to help your child learn at home.

We are also going to start using Revoe library again to support family reading as well as completely transform our dining room in to a child and adult reading area. We'll keep you informed!!

Reception

Our Reception children have been in RLA now for almost two weeks and have settled really well; meeting new friends; and taking new routines in their

stride. Lunch times have been a highlight for many children—it has been lovely to see their independence developing as they learn how to carry their tray and pour their own drinks. We have also been working hard to practise our class rules and to remember to "choose it, use it, put it away" throughout the day.

Tapestry should be up and running for everyone. If you have any difficulties accessing your child's online learning journey, please see one of the Reception staff team.

The children will be bringing home their first homework task this week. They will be practising reading and writing the sounds learned this week; m, a, s, d and t. We will continue to learn about five sounds per week this half term.

Look out for homework bags on Fridays!
