Children must wear their RLA tracksuit on their PE day. Thank you.

## THE BIG LOCAL REVOELUTION WINTER FES-

Thank you to everyone who supported Revoelution's Winter Festival last night. The event was a huge success, attended by over 100 local people, performers and carnival goers! Thank you to our very creative Y5 engineers for their fantastic light display designs.

## Extra Curricular Clubs

Our extra curricular club timetable can be found on our website. Letters for the clubs have been handed out to children. If your child would like to join a club and they haven't received a letter, please see the office. Subject to places being available, your child will be allocated the club of their choice. Please note the children in the clubs will change after Easter to promote equality of opportunity.

## Pupil Voice

Following the huge success of our pupils contributing to the design of our play barn, they are now involved in the toilet refurbishment project for Years 2,3,4,5 and 6. They will be working with Andy Wolfe from creativesparc architects to develop their designs, colour schemes & specifications.

# THE BIG LOCAL REVOELUTION

Thank you to everyone who supported Revoelution's **Winter Festival** last night.

## Year 2

School Sport Premium Funding enabled Year 2 children to have the fabulous opportunity to test their resolve and head for the heights by visiting Clip 'n' Climb. They have also enjoyed navigating their way around Stanley Park's many features. The children loved their day in the great outdoors completing all of the activities; but the hot chocolate and cookies seemed to get the vote for most memorable part of the day!

## Nursery News

Nursery have been exploring different shapes. Some children chose to make shape pictures, extended by looking at different objects made out of shapes, such as rockets. They have also been drawing shapes and thinking what they look like. For example some of the children thought that circles look like wheels or bubbles. Children have had opportunities to make shapes out of stones and buttons by placing them along the edges of templates. They have also been using wooden shapes to make their own structures.

They have also enjoyed going on a "Shape Walk" around RLA looking for hidden shapes and then comparing them to different shapes.

## Act of Kindness

Jamie-Lee wanted to donate her hair to the Little Princes Trust. After growing it long, she had it cut short so her hair could go to a young person to make a wig. The Little Princes Trust, set up in 2006, provides real hair wigs free of charge to children and young adults up to the age of 24, who have sadly lost their own hair due to cancer. You are a true inspiration, Jamie Lee.

Reminder Family Event— During this term (before Easter) we would like to organise a family evening event. In the past we have held bingo and quiz nights, which have been a great success. If anyone has any alternative suggestions, please could you let our office know. Thank you for your contributions!
