## Dinner Money

If you pay for your child's school meals, please ensure all payments are up to date by Friday, 15th February 2019. Sadly, for a small number of parents who are refusing to pay their debts, we have now passed their cases on to legal and debt collecting services. RLA does not want to use school funds, which should be used to improve our children's education, to pay for a small number of family debts which is not fair! Thank you.

## Attendance

**Our whole school target for this year is 96%. The children's attendance is currently 94.6%.**

Please do all that you can to ensure that your child is in school. If your child is absent from school or nursery, you must contact the school office in person or telephone 01253 763414 before 9.15am.

Also, if your child must have an appointment during school time, please ensure you provide medical evidence.

Our Engagement Team and Pupil Welfare Officer will conduct home visits if children are absent without a valid reason. Thank you for your understanding and support.

## 5SC

On Thursday, 14th February, 5SC would like to invite their parents to a mini celebration assembly at 9.30am. 5SC will be sharing their cornet skills by performing for you. After the assembly we would like you to help your child make a pizza which they have designed.

## Suitable clothing.

## Year 3

Breakfast kick-starts your body and gives you the energy you need to get things done and help you focus at school. It's the most important meal of the day, so ...

Year 3 used some of their Business Enterprise profits to investigate which different food options give their bodies the best start possible. This included healthy options, such as granola, natural yogurts and fruit; as well as foods to give them protein, carbohydrates and calcium to help build strong bones and keep them fit and healthy.

## Pupil Leadership Matters!

Our 4 Leadership Committees (Resilience, Keeping Us Safe, How Do We Learn and Moving Forward) met today to discuss and report back on their agendas. Their key priorities include: toilet modernisation designs; pupil voice communication; House and sports barn renaming that inspires learning; solutions to the Pupil Survey; and evaluating how children use the assessment cups to improve their learning. Collectively, they are having a huge impact on further improving RLA! Tremendous work, Leaders—really proud of you all.

## Year 6

Year 6 are learning about politics and democracy. With the help of the UK Parliament Education Officer, Rachael Dodgson, they have been role playing Parliament and the House of Lords to find out how laws and amendments are debated.

## Changing Horizons

Changing Horizons is an opportunity for children to learn about different careers. Some Year 6 children visited the event yesterday and experienced many different professions which they previously did not know existed. It has given them lots of inspiration and a greater understanding of what decisions they need to make and what they need to do to achieve their dream jobs.

Our Healthy Living Club have been busy cooking up tasty gourmet meals. This week's choice was cheese and

tomato quiche. Last week, our expert chefs served up healthy pitta pockets, made with wholemeal pitta bread and reduced fat cheese. Yum!

## Star of the future

At the Hip Hop UK Streetdance Stars 2019 dance competition, the House of Wingz team stole the show. The team won a with a host of trophies. Our very own Streetdance Star, Leon won Best Solo Dancer and Best Group Dance for his age group. Fantastic job, Leon, and everyone at FY Wingz.
