20 Day Attendance Initiative - Reminder, we will be running a 20 day attendance initiative. Every child who is in school and in on time from 4th April - 29th April inclusive, will be entered in to a prize draw to win a fabulous bike and accessories. There are also fantastic runner up prizes to be won.

Values - This half term our value is Respect.
 Children will receive rewards for achieving the following:

I listen to others and value their ideas.

I value others. I say nice things about them or what they have done.

I look after property and the environment.

I sort out problems by talking them through.

I treat others as I like to be treated

Smilies Awards - Congratulation to Ollie, Adriana, Nicola, Mackenzie, Aliyah, Naomi, Nicky, Charlie, Malaki and John who all received class Smilies this week and also to Laney, Samuel, Leon, Ellie, Kiara and Cody who received PE Smilies. Well done everyone keep up the excellent work

Uniform - Thank you to all parents for ensuring children are dressed appropriately in their school uniform. There are still a small number of children who are attending in trainers, if there is a medical reason for this, please ensure that a medical note is obtained from your GP. Please could we also remind parents to ensure that all items of uniform and PE kit are named. Thank you

Nursery/Reception - Due to health and safety reasons, please can parents ensure that children do not play on the equipment in the Nursery and Reception area before or after school. Thank you for your cooperation.

Mid Year Reports - we would really like your feedback on how informative you found your child's report or if you have any suggestions for further improvement. Please let us know.

Parents Evening

Parent Evening - 79% of our parents attended our Parent Evenings last half term. Our Engagement team and Phase Leaders will be contacting parents who were unable to attend to rearrange appointments. Thank you for your support

Nursery

At the end of science week we released our helium balloons in the nursery garden. We attached a note to the bottom and watched them float up into the sky. The note asked whoever found the balloons to email and let us know how far they had travelled. During the holidays we received an email from Gwynedd, Wales! They had travelled nearly 150 miles down the coast!

Nursery and Reception

This week has been very exciting! On Monday we had a special delivery of 9 eggs in an incubator. On Wednesday morning 4 chicks had hatched overnight and on Wednesday at about 11am another chick hatched while the children watched!

Year 4

This week Year 4 have been exploring a range of Greek Myths

Waterpark - November 2016

We will be arranging a parent meeting before half term regarding the Waterpark visit for Y6 (current Y5). This visit is due to take place in November.

To ensure that every child has the opportunity to take part in this fantastic residential visit we have provisionally booked places for the whole year group.

Summer Term- Our extra-curricular activity timetable for this half term has been sent home today. If your child is interested in joining a club please see the office for a letter.

Consultation **Nursery consultation** - We have sent home a letter regarding the changes in the Ofsted registration of N1. If you do not receive the letter please contact the school office for a copy.

Fluoride in Milk Scheme - Blackpool Council is in the process of implementing a fluoridated milk scheme in schools to improve the dental health of children. The scheme involves adding fluoride to children's milk as part of the free breakfast scheme. Further information can be found on Blackpool Council's website www.blackpool.gov.uk/fluoride.

Engagement Team - If parents have any concerns regarding your child, housing or benefits please contact our Engagement team. The team will be able to offer help and advice
